When you arrive, you need to book your plants in so that they are accurately recorded for scoring purposes.

On the booking-in sheet you need to write your name in the left column, record the total number of plants and then tick each class column in which you are entering a plant.

For each plant you then need to complete a plant slip showing plant name, class and your name and place it on the bench with your plant. PLEASE FILL IN THE CARDS CORRECTLY AND CLEARLY .

Finally you need to sign the attendance book. Thank you. *Chris*

### COLMANARA MASAI RED Verses ONCOSTELE MIDNIGHT MIRACLES

**Greg and Cathy.** Your Colmanaras which won prizes at the ESOS Show plants were incorrectly named as *Colmanara Masai Red*.

The name *Colmanara Masai Red*, was registered by Anthura B. V. in Holland in 2007, The name was later rejected as it had already been registered in 1983 by Hu-Bro & originated by Truford. The name *Colmanara Masai Red* is therefore a synonym (Ref RHS International Orchid Hybrid Register.)

The correct name for this very popular hybrid is *Oncostele Midnight Miracles* registered in 1983 by Hu-Bro & originated by Truford. The parents are *Rhynchostele bicktoniensis* x *Oncidium cariniferum*.

**Cathy,** we believe that your plant is *Oncostele Midnight Miracles 'Splash'*. 'Splash' being a Clonal name.

### OTHER PLANT NAMES

**Warleiti,** Your Native hybrid *Dendrobium Regal Affair* x *Dendrobium speciosa* has been registered by Max Thompson of the USA in 2006. The cross was original made by John Woolf of Toowoomba Queensland. The correct name is now *Dendrobium Walnut Valley Star*.

**Warleiti,** Your *Colmanara Cherry Fudge* is correctly called *Otorhynchocidium Cherry Fudge*

**Gavin,** Your hybrid between *Dendrobium speciosum* x *Dendrobium Rosella* was originally made & registered as *Dendrobium Glenn Star* by Alan Peck of Narara NSW in 1991.
