## Tinonee Orchids Annual Open Day

Due to "The Virus" we have decided to postpone our Open Day weekend until 28th & 29th November 2020.

It is hard to predict the future but it appears by July we will still have limits on numbers at events and social distancing will still apply. Many people are still nervous about gatherings, so we think it is best to wait till we are more relaxed & feeling more social.

In November we will be having the usual expert speakers, food & lots of different plants for sale.

As to the weekend of the 11th & 12th July, we will be open, with orchids for sale. There will not be the usual Speakers, Food Stall etc.

Over this weekend we will be unable to accept buses but if you are looking for a nice plant & happen to be in the area, you are welcome to call in.

At other times we are open by appointment only. Sorry no set hours but I am often here, so ring & check first. Still the same range of pots, media and of course, orchids.

Regards,
